

Experimental Traffic Restrictions for Considering a Need for Parking Meters

1 Duration

April 1st, 2022 ~ March 31st, 2023 (For a year)

2 Location

Places where the parking meters are installed throughout Okinawa Prefecture

3 Purpose

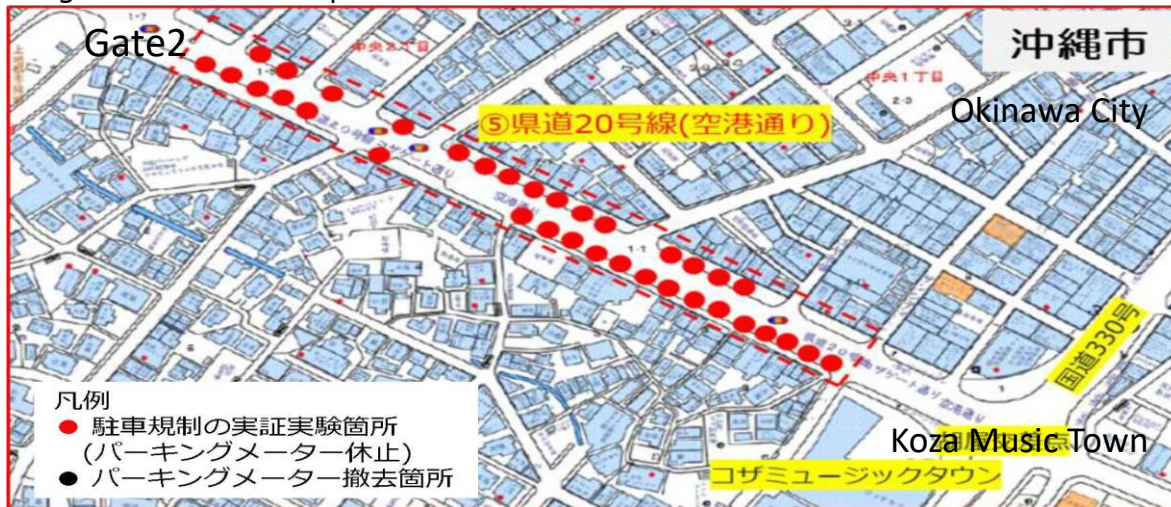

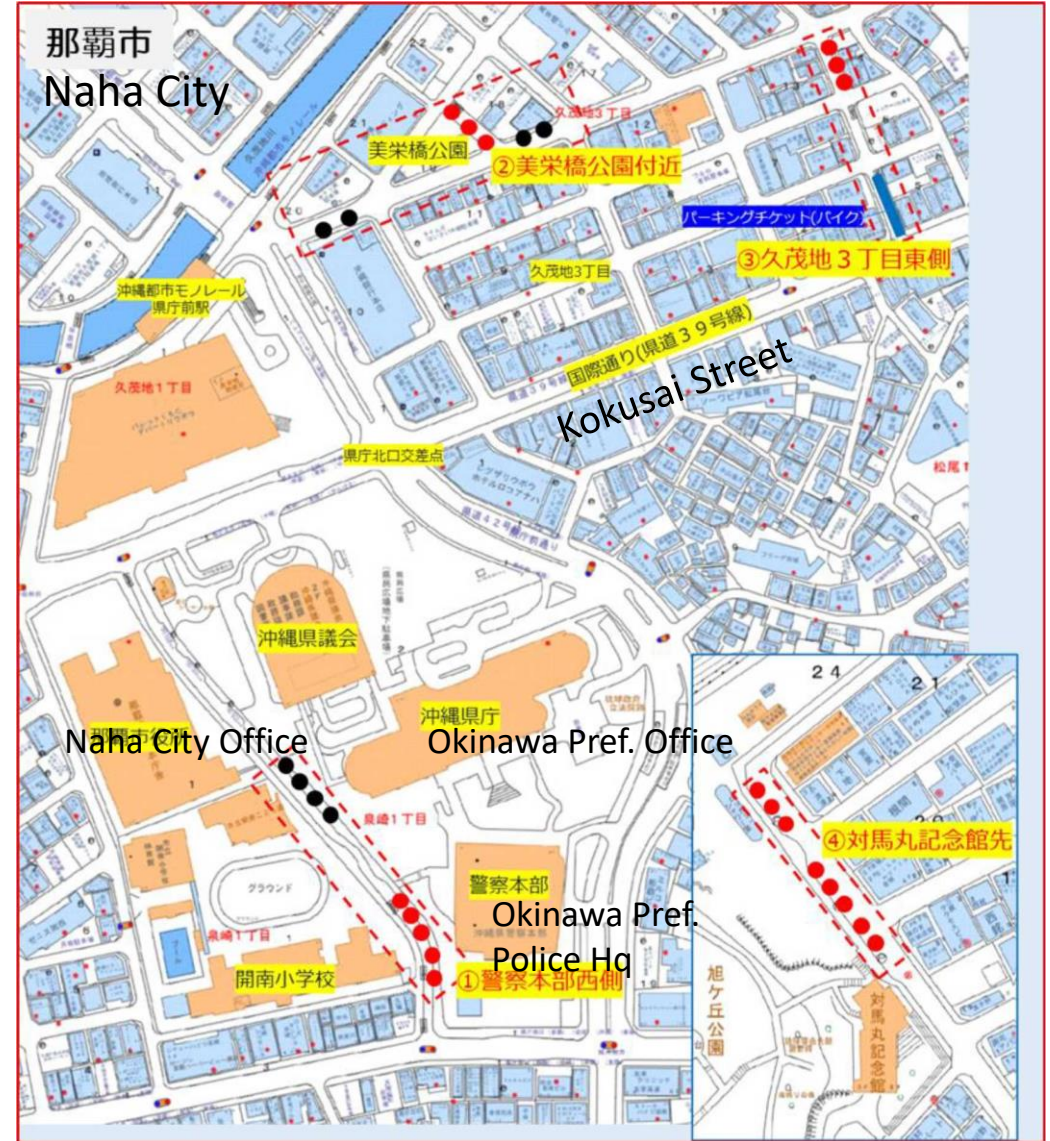

To review the necessity of installed parking meters in the present social conditions

4 Way of Research

Temporarily halting the parking meters, and installing road signs that reads "No Parking except for the vehicles in the act of collecting and delivering." (Limited to Collection and Delivery of Freight)

5 Remarks

The Parking Meters will be taken away at the 8 spots marked ● in the map on the right for the road improvements.
